CANADIAN BOOKKEEPERS ASSOCIATION

We are committed to the advancement of Canadian Bookkeeping Professionals!

A Professional Association

The Canadian Bookkeepers Association (CBA) is a national, not-for profit organization committed to the advancement of professional bookkeepers. Membership in the CBA provides bookkeepers with the resources to succeed in an ever changing environment. Our Association creates excellence through knowledge and is growing rapidly, representing a comprehensive financial management approach to business for any size company. Our Membership is growing rapidly each day and represents bookkeepers in the majority of Canada's provinces and territories.

Membership in the CBA will provide you, and your company, with resources to succeed in an ever changing environment.

The CBA is proud to be the first association in Canada to introduce true certification to the bookkeeping community. Several committees within the organization are planning educational and continuing education requirements to be set down as a prerequisite for certification. Certification should be available to qualified members within the next several years.
